“ *Fran was a faithful member of Bible Baptist in Euclid for many years. She loved the Lord. She always had Bible tracts to hand out to people, where ever she was. She had a great concern for others to be saved and come to know the Lord. She was a frequent weekly caller on the 1220 radio programs, with questions about the Bible and end times. I can still hear them announce "We have Fran on the line". Her laugh, smile and the twinkle in her eyes will surely be missed. With our sympathy and love to all the family. *I love this. This made me smile because I can hear it too. I remember she called into her one AM radio station and gave a birthday shout out to me but I never got to hear it. Thank you for the kind memories.*

*What a beautiful tribute to a wonderful Christian lady. Our radio program was one of the 1220 programs she frequently called. We will miss her phone calls but I'm sure she is still asking questions in heaven. Our sympathy and prayers to Fran's family and friends. And, for one last time, "Thanks for your call, Fran."*

*“ Francis was a dear friend of mine for many years. May she rest in peace and awake to eternal life with her Messiah King Yeshua Hamashiach at His return when she will be raised to meet Him in the air and be changed in the twinkling of an eye to immortal eternal life in the Kingdom of God. Blessings to all who knew and loved her. She will be missed but not forgotten.*
