“ Aunt Francis was such a loving and caring person and always with the greatest laugh! She will be missed by all of us, but we can all take comfort that she is together again with her family and loved ones that have passed on before her.

“ Dear Aunt Frances,
I am sorry that I cannot be there to say good-bye. But I know that you are surrounded by all of our family and friends that love you. You hung in there tough, just like grandpa and the LoPiccolo brothers and sisters that have gone before you. Now you will be with Uncle Jimmy and the rest of the LoPiccolo Family. Soon you girls will all be doing the "My mother bought a chicken but she thought it was a duck...." song and dance together! And just like my daughter Kristy wrote to her grandma, "I just got to remember... I'll see her again some day". Love and God Bless you,
Your niece Elaine
