“ Living in Parkersburg I never got to see my Aunt much, but what I remember most is the smile that she seemed to always have. I can't imagine the pain that my cousins are going through at this time.

“ Ma'am,
You have touched so many with your kindness and will be dearly missed. The time we spent together at the campgrounds and all our long talks, the way you never held back your feelings to the moments of silence when words were not necessary.
We pray for your family and give them the strength to get thru this difficult time.
