“ Dearest Friends...so long without talking with you. After seeing, Lana, that your Mom passed away there is a certain groaning in one's heart having known your Mom and remembering her exhuberance for life and having such an outgoing personality. I hope she hadn't been ill long and that God took her peacefully home. I, and Bryan as well, send you and your family our heartfelt sympathy. My parents are Mom 87 and Dad 90are showing their ages now and I do think about life without them...have been so fortunate to have them in my life for so long. It is very difficult to lose a parent...I lost my "baby" sister in 2005...so I do know that this will be a time you will need God to help you through the difficult time ahead. Please know that we are thinking about you in such a special way and remembering the fun times we had so long ago now. Please call me, Lana, when you think about us...would love to hear from you. Sending our Love Bryan and Judy
