“ My family and I would like to offer our condolences to you for your lost. During times like these much comfort is needed and can be found in God's Word the Bible. It is my hope that you find comfort in John 5:28,29 speaking of Jesus, where it says, all those in the memorial tombs will hear his voice and come out. So one day you have the wonderful hope of seeing your loved one again. This is a precious hope that we all look forward to. The Bible also tells us about the wonderful hope we have for the earth when this time comes very soon at Psalms 37:11,29. Please find comfort and hope from God's Word even now and as you wait to be united with your loved one again know you're in our prayers. If you would like to discuss this further you can contact me via e-mail.
