“ *Marge and kids,
I was devastated to hear of Frank's passing. He was such a great person, and I know he will be missed beyond measure. I am a richer person for having him on my crew in Desert Storm. I am glad to have had him in my life.*

The Coast Guard Hymn

Eternal Father, Lord of Hosts

Watch o'er the ones who guard our coasts

Protect them from the raging seas

And give them light and life and peace.

Grant them from thy great throne above

The shield and shelter of thy love.

Lord, guard and guide the ones who fly

Through the great spaces in the sky

Be with them always in the air,

In darken storm or sunlight fair,

Oh, hear us when we lift our prayer,

For those in peril in the air!

Grant to them your eternal peace, Oh Lord,

For they have followed your commandment,

That No Greater Love has he, who would give up his life for another.

Amen

*Crossing the Bar
by Alfred Lord Tennyson*

*Sunset and evening star
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,*

*But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.*

*Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;*

*For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.*
