“ I was very shocked & saddened to hear of my cousin's death & regret not keeping in touch as often as I should have.

I will always remember the good times that we had growing up in Phillips, PA. He was one of my favorite relatives. We played baseball together & he was always a "great" left handed hitter.

We would play for hours: me pitching & him hitting using a tennis ball against Grandpa Havrilla's garage.

Frenchy's dedication & love for family, I'll always remember & cherish.

We last visited in Cleveland during my 50th North Union High School reunion in 2005 at my daughter Suzie's home.

Sleep well, buddy & know that you are loved. And know that I hear the "bell tolling."

Your cousin & buddy,

Bob Havrilla
