“ Ernie and I first met in a wrestling match in junior high. We both had older brothers former classmates at north high that bet on the outcome of that match. Experience was on my side I had wrestled the 7th grade year before. As we entered high school Ernie went up a weight class and I remained in 103lbs class. He was always a great team member and competitor all thru high school. Ernie will always be my friend. I will miss him and his advice in life. Dearest regards to the family.
