“ I check on people who played a role at some point in my life around each Christmas or the coming New Year - Frank played such a role, was one of those who gave me flight instruction and lots of encouragement in the '60's and early '70's in matters both in and out of aviation - Frank was a good man and a good friend, my prayers are with him, his children and wife this Christmas and in years to come. - John Hallinan, Anchorage, Alaska.
