“ This is Jill Rossman, one of the nurses who took care of your beloved Frank at David Simpson Hospice House. I was so sad to hear of his sudden passing. I can tell you that when I first started taking care of him he would have a concerned look on his face about what we were going to do for him or what was happening. The last couple of weeks, when I would walk into the room, he greeted me with a smile. He appeared more relaxed with me. He seemed comfortable and trusting as time progressed. I can honestly say, that smile was a gift to me. Thank you for allowing us to take care of him. I miss him. My sincere condolences to your family. Jill
