“ Fred was a case manager for me when I came back from LA at the ETA. We hit it off because I had just come back from the music business and Fred was all about music. He was a great mentor and friends and occasionally would run into each other at different events when I was vending with my business, *The Organic Pet*. Fred and I never seemed to run out of things to talk about. I really respected and appreciated his genuine heart and great talent in music. Although I was unable to make the service due to health problems my heart is with you Nanette and the entire family both biological and Musical. Love and prayers to all, Sheri and son Andrew Rimes

“ I didn't know Fred very well; but, anytime I had a chance to talk to him, he treated me like we had know each other for years. I heard this from others, as well. He was a wonderful person on earth and now Heaven has a wonderful angel.

“ When I was introduced to “FA” in the 70's, I couldn't have known that he would become one of my closest friends & confidant over a period of 40+ years. We played a ton of music together, shared great meals and laughed a lot. Fred's passing has left a big gap in my life, as we used to talk almost daily about band things, our personal challenges & triumphs and just general topics. I loved this man and I told him this regularly and he wasn't afraid to say it back. There are very few, if any, people in NE Ohio who have as many friends and relationships as Fred. People were drawn to him. Love you Fred & Nan.
