“ *Uncle Pat, you were a wonderful uncle with a great sense of humor. Where ever you were, laughter was always present. Though we lived miles apart and visits were few and far between, each was if it had only been days since the last, not years. Thank you for being such a great big brother, husband, father and friend. Much love and prayers to Aunt Joanne, Angela, PJ and family. Also to Nanny, Aunt Oveida, Uncle Mike and mom.*

One of my fondest memories is seeing the four Baldree siblings gathered around the piano singing gospel hymns. In God's time, I know, you will all sing together again.

Love to all

“ Mere words are not enough to comfort you in your time of sorrow, but may the peace of Christ and your memories of happier times sustain you until you meet again. Pat was a part of our family all through our childhood and youth until he went off to college. As happens so often, we lost touch after graduation and through the years, but I was happy to see him at the class reunion a couple of years back, the first time I had seen him in many years. Pat was a good man and I know that you will sorely miss him, as will his many friends and extended family. Sincere condolences to you, Joanne, and to his children, P.J. and Angela, as well as to Frances, Oveida, Mike and Gayle.

Fondly,

Sue Tomlinson Baldrige

“ Sweet Brother Grady!

Dear Pat, what a great big brother you were to me. You kept telling me in our phone conversations that you were sorry for not being the best brother you could be. It wasn't true, you loved me and I knew it. You will be missed but never forgotten!! I know you are better off and in a much better place. I love you

“ I wanted so bad to see you in May, but I know you are in Heaven, with Papa and Granny. How great is that? You were always my BIG brother, always there to listen, always there to share another joke. Your children, grandchildren and Joann were so blessed to have you in their lives. We will all miss you. But, I am so thankful for all the memories and there were so many happy times in the store, church and at home, when we 4 kids were "HomeAlone", boy the trouble we got into!!!love ya! Gayle
