“ I was friends with Gary and played softball with him in the late 70's and early 80's. We shared a championship in Maple Hts. No finer gentleman and friend to all ever existed. He was a prince of a man.

“ My father backed a softball team Turney-Dunham Union 76 years ago in Maple Heights and your father was on our team. He was a great guy and one heck of a ballplayer. Sorry to hear just recently of your loss.

“ Dearest Brian,
Words cannot express my surprise, sympathy, and sadness over your dad's passing. Be strong in your belief in the Lord and He will guide you through your life. Your mom and dad were given life to see you through to manhood, and now you must be strong for your family. You should be so proud of them both, and know that you are in our thoughts and prayers. They have raised a great son.
Love, Rita and Mike.

“ Dear Brian,

Please accept my condolences on the loss of your dad. He was one of , if not thee, finest men I have ever had the good fortune of meeting. Your mom and dad were special people and they, along with you and your family, will be in my prayers always. I know that your dad missed your mom dearly. He loved her very much. Maybe God in his infinite wisdom decided that they should no longer be apart. Stay strong and may God bless you always.

“ To say that Gary & Jane were amazing next-door-neighbors is an understatement. My children and I will truly miss them, as their love has been a blessing and inspiration through the years. Their thoughtfulness and kindness will be remembered forever.
