“ I have known Gary, since our Euclid High School days. We shared alot of good times then and throughout the years. My kids grew up calling him Uncle, and thought he was "cool". The last time we were together we danced, the one thing I knew Gary enjoyed.

I'll miss those times, the smiles, when I messed up!

His uniqueness, set him apart

from the rest! I miss you Gary, my Kids miss you! Our condolences to his family.

“ Gary was one of the most fun loving persons with a gift to dance and talk forever. He will be truly missed. When Ruth would come into town we would get together. My heart goes out to his family.
