“ Jason, Sam & Sue,
Know that a star in the night sky will shine a little brighter for all of you.

I can honestly say that over the years that I have been friends with Jason and Sam, I have been blessed by Gary's good heart, delighted by his sense of humor, amused by his "words of wisdom" and schooled by his skills playing bags.

You will be missed, Gary!

“ Snapper,

The short time I've spent with you over the last couple years has produced memories that will last a lifetime. Your courage over the last several months has encouraged me; I will try to live my life to the fullest based on a conversation I had with you at Christmas. I know you will be missed.

To Sammy and Jason,

I pass my sincere condolences. If you need anything please let me know.
