“ George was my brother-in-law married to my sister Donna who passed 12/2/2020. I remember George as a young man when he met and married my sister Donna 49 years ago. He worked hard and went to school and earned 2 master degrees. I remember being there at his graduation. He was so proud of what he had accomplished. When Covid hit in 2020 things changed. George's kidney had failed in July 2020 a new kidney was found, he was in and out of the hospital for weeks. At that time Donna became ill and with a few weeks she passed. George struggled for the next 18 months until he got Covid which weakened him so much there wasn't anything they could do. I will miss George very much & my sister. My heart goes out to his family especially Louis & Janet and Edda Ruth. At least I know George & Donna our together again. Angie & George Cadwallader
