“ Joanna and I extend our deepest sympathy to George's family. We wish you strength during this time of loss. George was a very kind and loving person. We were always graciously greeted at his home and at family gatherings with his wonderful smile and his friendly nature. We were introduced to George by his wife and my brother-in-law's mother Flo Ference Nagy. My sister, Phyllis, would always keep us up to date on how George was doing. I know that George is in a comfortable resting place now. We offer his family our prayers and wishes for peace in the months ahead.

Sincerely, Lincoln and Joanna
