“ *Kay and family....I am so sorry to learn of your loss.. I just am learning of George\'s passing away. I remember some fun times playing pool in your basement in Eastlake where the accoustics made Georges wonderful booming voice even more robust and his laughter so contagious. Those were some great times....once again I am so sorry this is so late coming to you. Think of you often and always how you taught this left handed novice to play a dulcimer. God bless and keep you safe in His loving arms..Bonnie*
