“ George was my very best childhood friend. We were constantly together doing projects of one sort or another. I was in his parent's home so often, I think his Dad thought of me as another family member. George was an artist from the beginning, always drawing and dreaming. I think I last saw him in the 1960s at Ft Knox when we were both in the Army. Dear friend, rest well.

“ To the Family Of George:

I was so sad to see the Obituary in the Beloit Daily News this morning. George and I attended Columbus College Of Art and Design together. He rode with us a couple of times from beloit to Columbus.

I also attended His Mother's funeral in Hopes to see Him, which I did.

I am so sorry to hear this sad News. May Gd comfort you all.

Sincerely, Caro
