*Our loss, Heaven's gain. Jerry thanks for all the talks we had over the years. I will never forget what you said when I finally accepted this New Way of Life the Fellowship offered. You looked directly at me and said " Your sincerity to this New Way of Life will be proven over time". How true, how true! On a comical note, when you would not agree with something I posted on Facebook, your response was typically "Nonsense, Bullsh&t! Thanks Jerry!*
