God Only Takes The Best

God saw you were getting tired,  
and a cure was not to be,  
so He put His arms around you  
and whispered, "Come to Me."  
With tearful eyes we watched you,  
and saw you pass away.  
Although we loved you dearly,

We could not make you stay.  
A golden heart stopped beating,  
Hard working hands at rest.  
God broke our hearts to prove to us,  
He only takes the best.

“ *My condolences go out to you and your family for your lost. May you find true comfort in the loving hope that is giving in God's Word the Bible. This hope is found at John 11:25,26 where Jesus said that those exercising faith in him even though he dies will come to life and those living will never die at all. How comforting it is to have a hope in the resurrection soon to come when you will be with your loved one again and the hope found in Psalms 37:11,29 where Jehovah God tells us that the righteous will inherit the earth and live in peace forever. So we will no more worry about sickness and death because Jehovah God will do away with them and give us everlasting life to enjoy. We have such wonderful blessings to look forward to so keep this hope of seeing your loved one again in your hearts, to see more scriptures about this precious hope contact me at:

“ My first and favorite memory of Mrs. Biro was in my high school days, when I visited Paul and his buddies who were having band practice in the Biro’s basement. Mrs. Biro was busy cooking something in the largest frying pan I have ever seen in my life still holds the record while washing clothes and interacting with the many bodies that passed within her sight. Her level of self-sacrifice and strength are a phenomenon of the past, and an example for us all. Great job, Mrs. Biro!

*My condolences to all the Biro family.*

“ Your love was unconditional and I will always remember being excited about going to Grandma’s House. I am happy I was able to take care of you and be your nurse as you always praised me for. I will always be thinking of you and will miss you so much. You will always and forever be in my heart.

*\*A Grandma is warm hugs and sweet memories. She remembers all of your accomplishments and forgets all of your mistakes. She is someone you can tell your secrets and worries to, and she hopes and prays that all your dreams come true. She always loves you, no matter what. She can see past temper tantrums and bad moods, and makes it clear that they don’t affect how precious you are to her. She is an encouraging word and a tender touch. She is full of proud smiles. She is the one person in the world who loves you with all her heart, who remembers the child you were and cherishes the person you’ve become.\**

“ *My deepest sympathy to all, I have nothing but great memories of growing up with the entire family. The sleep overs in "the barracks", family picnics, fishing with Mr. B and the boys and just hanging out. She was my "second mom" and will be remembered always.*
