“ *I always remember my sister Gladys being there for me. Actually, from the time of my birth...she had to run and get the midwife to deliver me. She was 14 at the time. She took me to the dentist when I was young, bought me new clothes for school occasionally to fit in with the other school girls. She was there for me and my son when I went thru a tough time. I always knew she was there and I will miss her so very much. I love you Gladys...you will never be forgotten.*

I will always remember the family get together with all the aunts, uncles and cousins. Gladys was always a happy, loving person. We got to go watch the Nutcracker downtown Cleveland, which was a huge experience as a young girl. She will be forever in my heart as well as the rest of the families. May GOD Bless you Aunt Gladys. We love you.
