“ I worked with Gloria over 20 years ago at Burrows. She was a wonderful lady, and always worked twice as hard as anyone else! I remember how much love she had for her husband and her children. I'm so, so sorry to hear of her passing.

“ I remember being a kid and going next door to my neighbor Mrs. A house and watching her work in the yard or sitting on her swing doing word searches with her or just going over there to talk to her .I loved going over there as a kid and seeing what she was doing and she always made time to talk even if she was busy. She helped me get my first job at burrows book store where she worked. I have alot of fun memories of her from when I was little and even though she has not been my neighbor in a long time I will miss you Mrs. A.
