“ *Greg was always there for his friends. He spent many hours at our home outside with Corey and his best of friends and always there to see them home safe. We have a conversation about you every time we sit in our patio chairs around our fire pit. We have many memories of Greg and the crew from Willoughby south. We will all miss you Greg. Many happy new days to come with your mom as you are blessed to be with her again. No pain...No suffering...peace be with you.....amen...Scot and Donna Chatron*
