“ Papa, you were always there for me. To protect me from memories that I try to black out. I'm sorry that I could never return the favor to you. I'm sorry that I didn't finally believe that the end for you had come. I'm sorry I was never there in general, and if I could, I'd take it all back. But you're in a safer place now, and no harm will come to you now. Sleep peacefully now Papa, and don't worry, we'll see each other again someday. I love you.
