“ We are very sorry to hear about the loss of Harry and we remember him with lots of fond memories. We always remember his donald duck impression, and being at every event from graduations to dance events with a warm hug and smile.As always we remember the Sunday dinners with my mom and grandma.

“ *Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
to sweet eternity.  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
but never meant to stay...  
Our destination is a place,  
Far greater than we know.  
For some the journey's quicker,  
For some the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward,  
And find an everlasting peace,  
Together with the lord*

“ *Please accept our deepest sympathy. I'd like to think that Uncle Harry is at peace and is full of joy now that he is with God and having been reunited with family members who have since passed. I will always remember Uncle Harry's Donald Duck's impression. It always made me laugh. It still does when I think about him.  
With love, Patti, Jon, Anthony and Kailey*

“ So sad to hear we will not get to meet with Harry again in this life, but confident knowing he is in the arms of our Lord, and we will see him again one day.

*Harry was always a warm and open guy who made you feel cared about. His welcoming smile said it all.*

*Hang in there, Kritty; all the strength you need comes from above. And now you have Harry's strength too.*
