“ *To The Family,
What a great person he was, growing up with all the girls, they are very blessed to have had such a wonderful father in there lives, always doing for them , I remember the pool room and how he would always come check to make sure we had everything we needed and tell us theres pop in the frig, and would make you feel right at home, with a terrific smile , never to busy to take a minute or two to hear what you had to say, I'm so blessed to have known him in my life. May he rest in peace. And may you find comfort in your memories of him
Love to all of you ,
