“ My condolences go out to you for your lost. During times like these much comfort is needed and can be found in God's Word the Bible. This comfort is found at John 11:25,26 where Jesus said that those who exercised faith in him and even though they die will come to life and those living will never die at all, Do you believe this? This precious hope of being with our loved ones again is one we should trust in and keep firm in our hearts. This hope is one we can trust in and in the hope Jehovah God gives us of living forever. This hope is found at Psalms 37:11,29 where it says the righteous will inherit the earth and live forever upon it in peace. So with God's blessings soon to come we will then be with our loved ones again enjoying Everlasting Life never worrying about sickness and death again. May you reflect on these blessings soon to come and keep them firm in your hearts and to see more scriptures about this precious hope contact me at: [Derektamala@bellsouth.net](mailto:Derektamala@bellsouth.net)
