“ My family and I would like to offer our condolences to you for your lost. Please find comfort in God's promises for the earth at Psalms 37:11,29 where it tells us that the righteous ones will possess the earth and reside forever upon it. So as you wait for your loved one to be resurrected back to life continue to look forward to God's promises for the earth when we all can live together forever on a paradise earth.

“ We were so sorry to hear about Helen. I know there really are no words that provide relief from the pain. But please take comfort in knowing God's promise, that in death there is no more pain or suffering, and one day we can be reunited again.-John 5:28,29. In the meantime you all will be in our thoughts and prayers.
