“ *RIP Aunt Helen. I have many wonderful memories of you and Uncle Melvin. I still have the crocheted hangers you made and think of you when I see them. I know Uncle Melvin and Alan were there to welcome you with open arms!! Love, Lisa Remshik Fulford*

“ *I go all the way back to west 41st when as a little boy I put a baseball through your kitchen window. You and Melvin were special to me growing up. My health prevents me from coming to see you one last time, but I am praying for you and your children. Love, Francis*
