“ ED, I miss you my little buddy. We had so many adventures together that were so special, because you made every day a holiday for us. You were a caring friend and confidante.

You and your wonderful family always made me feel like I belonged, at all times. We shared so much fun and laughter over the years. The bus trips we took, the trains we rode, and the fabulous cruises we went on, Putting the Christmas Villages together each year. The car shows, the clam bakes, the Quarter Century dinners. One of my favorite memories were the Christmas eve dinners with your family all around us. Life with you was a delight. I will remember our time together with much fondness. Look down from heavenly heights and smile at me now and again.
