“ Dear Donna and family,

*I picked up an e-mail from Mickey Mas this morning and was saddened to hear this news about Herschel.*

*It has been a long time since Chris and I have seen you, Herschel and the girls, who must be all grown up by now!*

*My fondest memories are playing softball with him and the others at Howmet in my early years at work. I also enjoyed working with him and those memories of him are a part of the good old days at LaPorte!"*

*Please accept our deepest sympathy at the loss of your husband and father and may God give you all of the strength to face the tests that are ahead of you.*

*Sincerely,*

*Charlie and Chris

“ Donna, Tanya & Cara -- Our hearts & prayers are with you and your families. We have a lot of good memories when you guys lived here in LaPorte in our early days of Howmet and when Herschel went to Ohio, we had the opportunity to know each other all the more with the dinners we enjoyed and the hospitality at your house. I always will remember that I loved golfing with Herschel. He was the only one that seemed to put up with my golf duffer habits. He even showed me that I wasn't the only one that played Army golf -- right, left, right --never straight down the fair way. We feel for you guys -- Please keep in touch, we are here for you.
