“ *A larger than life Uncle. When younger I rode his motorcycle, went out on his boat, and swam in the pool, and had some of the best times of my life visiting them. He represents so much of what was great about my childhood and is a part of my life I'll never forget. We'll miss you Uncle Bert.*

“ *To Vicki and the entire family,*

*Bert was not only a great knowledge source on the job at Eaton but also a great humanitarian. When he found out that my Dad had a significant degree of hearing loss due to nerve damage, he offered to and then put together a headphone and an amplifier 'device' so that my Dad could talk on the phone - something he had not done in decades due to his severe hearing. It eliminated some of the isolation that my Dad had felt following loss of my Mom. What a great and kind and giving thing to do! I will always remember...*

*My sympathy to you all.*

*Sincerely,  
Michelle Ahlgren*
