“ *She was my second mother to me because I spent so much time at her house playing with Paul and Eva. Always a big smile and greeting when I arrived and almost every Time she would feed me with Paul delicious Hungarian soup and sandwich ! I still remember a lot of Hungarian as they were fresh off the boat when I met Paul and the whole family spoke Hungarian at the house . Paul's grandfather was v nice to me n Paul and got around in his house v good for years... Think he was a veteran from the first world war n I remember the metal ashtray he had n.made from a large caliber gun putting a hole in the ashtray and it was engraved with his unit number. Me and Paul were amazed from the antique ! Hope Paul still has it ! Deyeada eada ... nemsabud putsac. Love paul and ava and many fine fun memories of ildy and Laszlo roosz . Laszlo worked me as his helper when he worked at the Cleveland natural history museum as a master carpenter. Beautiful wooden display shelves n.cases. R I P ildy n laszlo*
