“ *Having you be my first boss in my history of working has been more than a blessing. Having such a kind and heart-warming soul, you were an important part of my life. You were more than a boss to me, you were a close friend and my family. I can't put into words how amazing of a person you were when in the presence of someone. You lit up the room and made everyone feel at home. Losing you is heart-breaking, and soul-crushing. There is no one like you in this world, and you'll always have a place in everyone's heart. You made the Croatian community feel at home. You'll never be forgotten. I miss you dearly and hope you're doing well. We all love you.*
