“ *My deepest condolences to Johnny’s family. I worked with him in St. Louis from 1995 to 1998. Johnny was a very funny guy who could tell a good joke, and stands on his own, he spoke Italian to me sometimes, and told me many stories. I listened to him like a father talking to a son. I enjoyed looking over his shoulder when he was drafting and what I saw was brilliant. He was a great man and piping designer.*

“ *I have just heard the news and I’m heart broken. I was a coworker of John’s in St Louis from 1994 – 1997. Ljiljana we have met once when I came up I believe in 1996 or so to work on a project and Johnny invited us over for supper. You fixed me and my friend a homemade Pizza it is still the best pizza I have ever eaten. He was one of the biggest influences in my carrier. I very sorry for your loss. Johnny was a good guy and very passionate. I will be praying for you Ljiljana and your family. May God bless you through this tough time.*
