“ I'm so sorry to hear about Jacci's death. We were classmates @ ASG. Although our post-school times together have been sporadic, mostly centered around Andrews Alumnae activities, "we Class of '61 girls" shared a forever bond that will pick up right where we left off once we all join her in heaven. "God will be with us 'till we meet again".

“ *Don*

Sorry to hear about Jacci. I know she was very sick and suffering at the end. That is confusing at the end of life. I met her a couple of times and she was her own person.

Best wishes to you and your family

“ *Jacci was my awesome art teacher and encouraged me so much. She framed some of my art work and made cards from several. She made me feel really special. She told me an artist always keeps the original so she copied and framed those copies for a girlfriend. Nick Behm*
