“ Jack, it's been almost a year since you've been gone. I still cannot believe you're not with us here on earth. Every time I see a bike with a flag on it I think of you... Love you and miss you always.

“ My condolences to Cheryl and Jack's family. I met Jack in high school Auburn Career Center, and what a wonderful guy is was! It has been many years since I saw him last, but I am sure he hadn't changed a bit. My thoughts and prayer are with all of you. I can't believe that he was taken from you all so prematurely. I pray that he is in a much better place watching over his loved ones.

“ My deepest sympathies go out to all of Jack's family. I met Jack in high school Vo-Ed, and hung out with him on several occasions. As someone else wrote, he was very kind-hearted and a great friend. Hard to believe it was 10 years ago when I last saw him. Let it comfort you to know he's in a much better place now. Again, my deepest sympathies.

“ Our deepest sympathy to Cheryl and the Hunziker family. We have known Jack for about 15 years and he was truly one in a million. He was friendly, easy-going and never seemed to be in a bad mood. He loved life and lived it his way. He was Jerry's favorite hunting buddy and partner at work. He will be sorely missed but never forgotten.

“ Where love flows deep, so does the sorrow. Dear Rose: I know how much you loved but cannot fathom the depth of your sorrow. May your sweet loving spirit be healed by the Lord who loves Jack the deepest of all and may He sustain each of you who loved Jack and give you strength and vision for a life without him.
