“ *My dearest and younger little brother, Jakey, who I can remember rocking to sleep in his cradle as a baby, and wishing you would fall to sleep quickly so I could go out and play with my friends. I enjoyed so, seeing you grow and enjoying sports, and becoming a loving husband and father. I loved all my brothers, but Jakey could always make me laugh the most, when we were youngsters and still when we were oldsters. Our Mom & Dad MA & PA were most proud that you became a caring husband and father, and they would tell me so often. Jakey will be missed by so many who knew him, and those who loved him dearly, and especially by his sister, Aunt Rosie.*

“ Jake my father-in-law, when I think of you I have a tear in my eye and a smile on my face. The tear is for the things in my kids lives that you are going to miss and not be a part of and the suffering we watched you go through; the smile is for all the times I called you on the phone and asked you "how are you?" and you would always say , "I don't know, how are you?" You truly were an amazing person who always was there when we needed you. I'm lucky to have had you so long in my life. And since my husband is a carbon copy of you I will have many remembrances of you to come. Life will always be a little different without you but you're in my heart and I'm the better for it. I'll never forget you and all the family gatherings and holidays we shared. Rest in peace, Jake, my other dad, and GO TRIBE!

“ Grandpa, You're my best friend, nothing will ever change that. I'll never forget your smiling face. You mean so much to me. I remember when i was little, you would always have a little chocolate Kiss in the front pocket of your shirt for me. Every time i go to grandmas i'm always going to sit where you sat on that couch. I've had so many great times with you. You had such a big heart and cared about everyone. I couldn't ask for a better grandpa. Our family parties would have never been the way they were without you. I always liked going to You and grandma's house with Bella. It was always so fun. I promise I'll take good care of grandma for you. I love you so much Grandpa. Your little "Fresock" Ashley.

“ Grandpa, thank you for always being there and stealing my dinner. I'm going to miss hearing you sing "Tra-la la op-tea" even now when I'm too big to bounc on your knee, and your infamous knocking on the wall - gets me everytime. I'm sorry we didn't get to spend as much time together as I got older, we should have that was my fault- I'm too busy for my own good and I will regret that, although the times we did spend meant the world to me. I'm going to miss not having you at my wedding, but you will be in my heart and forever loved. Tonya

“ To my dad who i love and miss. I'll always remember the fun times, especially when i pitched to you but not on bowling nights because i would hurt your hand from throwing too hard. Going fishing when you torn the muffler off your Cadillac in Florida. Thank you and mom for supporting me in Wickliffe high school baseball. I'll miss watching the Tribe and rooting for a first place team. I'm going to always think about you and miss you. You were a great father to me. Thanks for all the memories. I love you, Your son Jack.
