“ I miss Jackie so much, everyday. There are not many people on this earth with the life energy that Jackie had. She simply loved the day-to-day things in life. Even the chaos. The Shopping, shoes! Purses! Pink, Purple! Her Puppy! Christmas! But mostly her friends and family. When I look at the children, I see Jackie's smile. Our hearts feel empty because we were not finished loving her & sharing our lives with her. I feel truly blessed that God chose to put Jackie in my life. Until we meet again in that great heavenly mall, I will miss you & never forget our good times. Thank you Jackie, for being my friend.

“ Jackie was one of my friends when we were young, we spent a lot of time together. Many sleep overs, and walks to school...I will never forget. When we worked together she shared many things with me, she touched my life in my ways and at so many different times during it. She was special to many. God bless all that are hurting over losing her.
