“ Please know that we share in your sorrow and will keep you all in our prayers. I loved Jackie very much. We met at our girls' dance class and quickly became friends. I will never forget the fun we had backstage at recitals. I miss her mischievous laugh and her expressive, big, blue eyes. Sincerely, Nelsy Reimann and Family

“ Dan, Hallie and Brett

I am so sorry for your loss. I was lucky to go to both St Mary's and NDA with Jackie. She was always so positive and bubbly. Her eyes and smile would just light up the room. I was thrilled to see her last year at the St Mary's reunion. Although her condition had taken a toll on her, she was still the same bright eyed cheerleader I grew up with. I hope that your memories of Jackie will give you comfort and help you find peace. You are in my thoughts and prayers.
