“ Jim,

Its Christmas evening, I didnt go back this year. I was just there last month and was on vacation all last week. I know everyone missed you, its never the same but the memories are great healers. The kids were their usual self's, getting bigger and still all hanging out together. Its nice to see. Mom and Dad are fine, I know this is a really sad time for them. Its hard on them and I dont think they'll ever come to grips that your gone. Just wanted you to know Im thinking about you and I miss you.

“ Jim,

Just thinking about you. I know you must see how Jimmy is doing. You should be so proud of him. Everything else is going OK. We had a mass for you last month. Everyone was there, its kinda sad to go there. I just keep replaying your funeral and how hard it was to say goodbye to you. We\'re going back there this weekend for a few days. I know Carol is just going to keep me happy. She does a really good job with that. Soon it will be a year, it goes by fast but the memories stay forever.

Jim Case 7/8/61-10/27/07 Our birthday will never be the same. Although we are apart, you will always and forever be in my heart. Love your sister, Jean

Jim,

These are the tributes that Dad and Jean put in The News-Herald for your birthday. I know Jean is really sad as you shared a birthday with her. I think its whats called bittersweet. They has a birthday party Sunday and they had a cake for you. I thought about you yesterday and hope your at peace. Hopefully one day we will all be together and the sadness for everyone will go away. Im coming to Ohio next week to visit everyone and we are going to get together next Friday with Donna, Aunt helen, Linda and Jenny. You\'ll be missed.

“ Jim,

Since I can't email you in heaven, I figured this is the next best place. Ive been thinking about you a lot lately. Its been over 6 months and I can still picture everything that happened in the hopital like it was yesterday. I hope there was no pain and you felt the love we all have for you. Mom and Dad are still hurting and I dont think the pain will ever go away. Mom still looks at all of your pictures and wishes you would come over to visit. The Cavs lost yesterday but whats new, I hope we win some kind of championship before I get too old to care. Everything else is going well, the kids are busy with school and sports. We are going to have a family reunion on July 18th at Donna's house in Vermillion. We'll have a shot for you. I miss you!!!!

“ It is hard to understand why things happen and why our loved ones are taken from us. This is not easy for any of us, but I believe Jimmy would have wanted us all to celebrate his life instead of mourn which is very hard not to do. I know that he has gone to heaven with his grandma's and grandpa's, Aunt and I know that he is with my dad now.

As the days and weeks, months pass, and as we return to life's routines, we will always have the memories. My fondest memories are of all the Cases and times we were together whether at grandma and grandpa Case's house for Christmas or the picnics, communions, weddings, etc. at Uncle Bob and Aunt Joanne's. Those we will all treasure forever. I just want to let each of you know how much I love you and I will miss Jimmy very much.

Much Love and Deepest Sympathy,

Linda Case Turner
