“ Our condolences go out to Mary, the boys, and my dearest Auntie.
Jimmy's time on earth was short. His accomplishments great. His memory will forever be in our hearts. I wish we could be there with you at this time of grief. Know that even that we are far apart we share this moment of sadness. Johnnie, Betty and James

When our families got together, it was the most memorable part of my life
Even though our lives grew apart, as we went our own way in life...
The Dadante family will always be a part of my life...

“ Jim ~ Just as I have known you my entire life, I will remember you for the rest of my life. You were an amazing man who will live on through your children and grandchildren. My Dad is glad to have his racquetball buddy by his side. Like James said, his Papa is able to walk again -- you are pain-free and able to play racquetball and baseball, and to do whatever you want.

Mary, Jason & Susan, Brian & Daniela, and family ~ I am keeping you all close in thought. I love you guys.
