“ Jim, was one of my direct reports working at Progressive. I can't say enough about the man that we all will miss. He was truly a great person to know in many ways. He was a very smart individual who never wanted to take credit for all he done. If me and the team had a problem in the buildings, he would be the one to put it on his shoulders and run with it, and ensured the issue of concern was addressed and completed from beginning to end. I never seen Jim upset working amongst his peers and management groups, Jim treated everyone the same everyday. There have been times we spent outside of work and he was a friend to me, separating his working relationship being his manager. I learned a lot about Jim and his family which he dearly loved and spoke very highly of all the time. I recently buried my Brother in March of 2007 and Jim kept me focused with my team, again putting us on his shoulders to carry us through the day. I will truly miss his present and friendship. Jim will always be remembered to me, a real man and a true friend.

“ To the Lloyd family, you have my deepest condolences. Jim and I worked together at Progressive. Jim Lloyd was the man. He loved his family and loved to work. Jim was the type of guy that would never say "No" to you. There are countless times he carried me on his back at work. I have grown so much as a maintenance tech since meeting Jim. I hope he learned a few things from me along the way. I could go on forever with all the laughs and good times that we have had at work. I can say that I have lost a true friend. I'll miss you and God Bless.

“ I dated Jimmy for a year or so, until he left for the Navy. He used to drive me around in his '72 red Cutless or maybe it was a monte carlo! remember he did not want to attend his graduation on the North Football Field but I was able to talk him into going and I still have the pictures I took. I was very in love with Jimmy at the time. Life is sweet. Life is short. God Bless.

“ We are very sad to hear Jimmy passed away, Darlene said he was too young! Without a doubt! Billy Goldy said, "no way!" Debbie & Billy are planning to attend Wednesday. Debbie said "What happened?" Danielle lives in Nevada so we e-mailed her the obituary. Danielle & Billy & Jimmy grew up together for 4 years on Barbara in Eastlake. Big Rich said we have to go pay our respects to Jimmy & his family. Younger Rich has been newly married for 5 months now & he & his wife have been told the sad news about Jimmy. Trisha & her family are on their way to Florida but we got to tell them about Jimmy. We all would like to extend our condolences to the Lloyd Family over the loss of their beloved son Jimmy who we all always liked. He was always nice to our family, he may be gone but he will not be forgotten by our family. Heaven picks the best flowers for it's garden. We get called HOME when our job here is done! May God reward Jimmy for serving his country in the United States Navy! He made a sacrifice for our country, Home of the Brave & Land of the Free! Let Freedom ring! Thank-you Jimmy! The Bible says to be absent from the body is to be present with the Lord! Dying we are BORN into ETERNAL LIFE! I believe Jimmy is in Heaven where there is no more pain & sorrow & sadness & suffering! May he have God's peace that passes all understanding! Perfect Love casts out fear. Fear is false evidence appearing real. May God & His Holy Angels welcome Jimmy to his Heavenly Home! On the Catholic calender September 8 is the Blessed Mother Mary's birthday so Jimmy's present to her was his presence!
