“ Rest in peace Jimmy. My Grandfather Chick and my Uncle Benny told me alot about you and the old days of the life y'all once lived. After my Grandfather Chicks passing in 93, I was always told by my Ohio family to ask for Jimmy, should I ever need anything in life. Now with finding this out about Jimmy, who now becomes the contact to continuing that one favor if needed? Just asking because the life was kept from me as a child, but I eventually figured everything out once I got into High School. Not going into details, but I know alot, especially the facts of my Grandfather taking the rap and losing ten years of his life in an Ohio prison, so Jimmy and three others could walk freely with no punishment what so ever, never seeing a prison cell. Prayers to the Lorenzo family though and terribly sorry for your loss. See they both used the song "My Way", which totally fits.
