“ Jim was a loyal friend to my family, especially my dad, Gerry MCLAUGHLIN for many years. My dad was the best man in Jim and Penny’s wedding in 1987. Jim stayed close to my family for years after my dad died. He was a good man who helped so many people.

“ Jimmy was a Marine during the Korean War and he spent a lot of time helping AA members, and train club members. But, Jimmy just liked helping people, so many people. I can only imagine so many people were thankful that Jimmy was there to help them and now the prayers of so many people are with you and I hope that you can find some solace in knowing that your loss is shared so deeply by so many.
