J1

“ My condolence\’s are for the family of Mr. James McClure. My prayers and warmest thoughts go out to you James, your "MOTHER" and the rest of your family, grandchildren and friends. Your father has accomplished many of things threw the past 80 years and you and the rest of your family should be very proud of him.

James you must be following in your fathers footsteps. The work you put into this School System. The times you take vacation days off to follow the wrestlers around. Even going as far as Columbus to compete for the State Final\’s and helping out where you can to help Mentor Schools bring home a State Championship.

James just recently took on a new job, as Union President. He\’s working for a better tomorrow, helping us save our jobs and helping those who are in need of help. He also takes time out of his own day to help others.

James your sort of like your "FATHER". Lending a helping hand as he did, in so many years of giving of himself to others. As you are doing today.

In closing there over 80 years of history of what one man legacy has left behind or should we say there are many new beginnings that he has created and has taught your family and friends along the way. When I attend "Church" this Sunday, my thoughts for you James, your "MOTHER" and the rest of your family, grandchildren and friends will be in prayers.

GOD-BLESS

Sincerely - BIG-JOE
