“ *In loving memory of James Henry Parker, a larger than life person who loved to laugh and make others laugh. His favorite saying was "What it is". But most importantly, he was a loving father and a loving servant of Christ. May he have eternal rest in the Savior's arms, Jesus Christ.

“ *There are times in our lives when words seem so futile, but please find solace in the thought that Bro. Parker was a God fearing, christian living individual who not only read his bible, but lived it. He applied what he came to know and shared it with all who would hear. He is loved and will be missed by many. I am proud to have known him for he made his calling and election sure. May the God of heaven keep you all in HIS care as we mourn his passing but with greater joy look to see him again. God bless you each and every one. You\re in our prayers.*

“*Bro.Parker will be so missed by us. From the time we first came to Cleveland 12 years agohe was such a supporter of the church and an encouragement to us. There are so many memories of conversations and fellowship - not to mention the good times in Wednesday morning Bible Class. To know him was to love him especially for his direct and truthful manner and for being a man that always stood with God's word. We all loved him but God loves him more and that is why he is no longer with us. God bless you all as you follow in his example of following Christ.*

“*We only knew James for a short time, but found in that short time what a wonderful, caring person he was. We'll miss seeing him wave to us when he drove up the the street everyday. He really cared about his neighbors too. God bless his wife and family.*

“ *Your father and brother was a God-fearing Christian. He knew his Bible and always spoke from it. We will miss him immensely; but we are happy knowing that he died in the Lord and is now waiting in a far better place.*

*Our sympathies go out to you and your families.*

*God bless you and keep you until you are able to go to that same place where he will be.*
