“ Jim always had a hug and a smile for me everytime I walked in the doors of an AA meeting.  
I'll remember Jim as a loving parent who truly adored his children. Kyle & Angela, my heart goes out to you. Be proud of your father, he loved you dearly - you were the light in his eyes.  
Remember you are not alone.  
God is with you at all times and in all places.  
Where you are, God is.  
Where you go, God goes with you.  
Whatever you have to do, God is working through you to accomplish great things.
