

James Peter Roski

May 27, 1963 - November 17, 2023

James P. Roski, age 60, peacefully passed away on November 17, 2023 surrounded by his family. Jim was born on May 27, 1963 in Lakewood, OH to James and Ruby Ann Roski (both deceased).

Jim graduated from Cleveland State with a B.S. in Chemistry. He then went on to achieve his Ph.D. from Ohio State University. He was an employee at Lubrizol for over 32 years, where his accomplishments included many U.S. Patents. He enjoyed working on cars and spending his time with his sons going to concerts. He was steady, dependable, responsible, and caring. He was a loving husband, father, son, brother, uncle and friend, who will be greatly missed.

He is survived by his loving wife of 31 years, Diane Roski, his children, James F. and Nick, his sisters, Marianne Goldweber, Sue (Rick) Andrella, and Cindy Kerr and many nieces and nephews.

Visitation will be held Tuesday from 3- 7 PM at Monreal Srnick Funerals & Cremations.

Private Family Services will be held for James Roski.

Family requests donations to American Cancer Society at www.cancer.org or

Hospice of the Western Reserve, 300 E. 185 St., Cleveland, Oh 44110

“ Loreen had told me what an incredible fight Jim had waged the past few years, and it was so inspiring. It has also convinced me after too many years to go see a doctor. Thanks for giving me the spark I needed Jim...

“ I am so sorry to hear of Jim's passing. In working with Jim over the years at Lubrizol, it was always a pleasure to be a part of his team. I was always impressed by his deep dedication to whatever project he was involved with. His patience, good nature, and relentless drive to solve problems served the company and his coworkers well. My deepest condolences and prayers to Jim's family.

“ I am deeply saddened to learn of Jim's passing. I've known Jim since our time as undergraduate students at Cleveland State. Back then he worked many hours at Revco and was still able to do well in his classes. After graduating from Cleveland State, we both went to Graduate School at Ohio State. At the start of the program, the new students had to take entrance exams in Organic, Inorganic, Analytical and Physical Chemistry. At CSU, we had a very demanding professor for Physical Chemistry so we were most worried about that one. Well we were both surprised when our adviser told us that we had the highest scores on the Physical Chemistry test out of all the incoming students including those that were going into Physical Chemistry. In addition to being very smart, Jim was kind and thoughtful as he would go out of his way to give me a ride home and back to OSU he was making the trip. We both wound up at Lubrizol and over the years our careers took us to different parts in the company. I will always remember Jim's calm demeanor, his sense of humor and the many times we shared the same path. Diane, James, Nick and Jim's loved ones, please know that my deepest sympathy and thoughts are with you at this difficult time.

“ So very sorry to learn of Jim's passing - he was so courageous in his fight and retained his kindness and good humor to the end. He was one of the most sincere people I've ever met - not to mention a great listener. The world has lost a real gem. My highest thoughts and prayers go out to you Diane, James, and Nick.
